andyart.lichota@gmail.com

PROFILE

Visual artist whose practice spans painting, sculpture, installation and public art. Through long-term artistic cycles inspired by travel, cultural encounters and direct engagement with place, he explores memory, distance, transformation and the relationship between human experience, memory and place. In recent years, his practice has expanded into large-scale sculpture, spatial installation and sitespecific public art.

EDUCATION

Academy of Fine Arts in Kraków, Poland
Faculty of Painting
Master's Degree in Fine Arts (MFA equivalent)
